# *OneDance*

*performed by Samah Gayed*

Interpreting the spirit of the charitable and independent Association, Samah Gayed performs in a new Dance. She called it **OneDance**.

It encompasses everything she believes and aspires, which is **Unity in Humanity** of all nations, cultures and religions.

Flags of all the world's countries have been sewn on the skirt used for the exhibition. During the dance, while Samah is spinning, flags' colours merge into a single rainbow. **All the populations and religions of the world unite.**

In 2010 Samah participated in the International Peace Festivals in Rome (Italy) and in Luxor (Egypt).

In 2014 she was invited to dance at the International Dance Congress (UNESCO), as **peace dancer**.

In 2018 she was awarded as an artist who brings joy to the planet by "Joy for the Planet" project.
